Mobix Labs Sees Over 100% Q4 Revenue Growth, Substantially Higher Gross Margin

September 24, 2026

IRVINE, Calif.--(BUSINESS WIRE)--Sep. 24, 2026-- Mobix Labs, Inc. (Nasdaq: MOBX) today reiterated that it expects fiscal fourth-quarter 2026 revenue to exceed $1.6 million, representing a greater than 100% sequential increase. The $1.6 million figure is the midpoint of the Company's previously issued guidance of $1.4 million to $1.8 million.

The Company also expects a substantial sequential increase in gross margin percentage, reflecting higher production volumes and a stronger product mix. Growth is broad-based across Mobix Labs' wireless systems and connectivity businesses, supported by continued strength in military and defense demand.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the federal securities laws, including statements regarding Mobix Labs' expected fiscal fourth-quarter 2026 revenue, anticipated sequential revenue growth, expected gross margin, customer demand, shipments and sales, and the Company's business and growth strategy. These statements are based on management's current expectations and assumptions and are subject to risks and uncertainties that could cause actual results to differ materially.

The Company's fiscal fourth quarter has not yet ended, and its expectations are preliminary, have not been audited and remain subject to completion of the Company's financial closing, review and audit processes. Actual results may differ materially as a result of, among other things, final accounting and audit adjustments; the timing, modification or cancellation of customer orders; the timing of shipments, customer acceptance and revenue recognition; changes in customer demand or product mix; changes in pricing, production costs or volumes affecting gross margin; supply-chain or manufacturing constraints; the Company's ability to maintain or increase revenue growth, obtain additional capital and continue as a going concern; and other risks and uncertainties described in the Company's filings with the Securities and Exchange Commission, including its most recent Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K.

Forward-looking statements speak only as of the date of this press release. Except as required by law, Mobix Labs undertakes no obligation to update or revise any forward-looking statement as a result of new information, future events or otherwise.
